1. Kof C donated $500 to the Olds and District Hospice.
2. We got some excellent press regarding our Basketball Free Throw Event and the historic number of winners for our area.
3. The Knights have raffle tickets on sale again this year. Proceeds go to things like the Hospice.
4. Participated in a highway cleanup.
5. Participated in the Corpus Christi procession on June 2.
6. Cleaned up the grounds around the parish.
7. Assisted Habitat for Humanity with landscaping.
8. Had a worker bee at Our Lady of Victory Camp on June 23.
9. An AED was finally purchased for the parish and installed.

From the meeting last night:

1. The Annual Charities Appeal raffle is coming up. Knights should have tickets soon.
2. We're cooking hot dogs for "Meet the Teacher Night" at Holy Trinity School on September 13.
3. There is a nationwide rosary event scheduled for October 7th at 2pm MST.
4. We're donating money to Holy Trinity School for their numeracy program, up to $1,500 from the Beer for a Year raffle proceeds.
5. We would like to talk about getting some permanent bulletin board space (if we don't have any already) as well as a regular update in the parish bulletin with what's going on. Matthew Cadrin will be co-ordinating with Mia on this.
6. Considering an event, maybe after Mass one day, where we show parishioners (or at least PPC, CWL, and KofC) where the AED is and maybe have a demonstration on how to use it, etc. We're looking into how to demo the device (maybe with Ultimate Safety) but wanted to float the idea now. It seems like it should be fairly straightforward but we feel it's important to "demystify" it so people are comfortable using it, should the need arise.
7. The Inaugural Knights Camping weekend was held in August. Around 20 members and their families had a BBQ and enjoyed the wonderful weather.
8. We would like to put KofC prospect cards in the pews for interested parishioners. Is the parish council okay with us doing this?
9. What does parish council need from us?
